## 10,000 GVTC Cable TV Subscribers

For the first time in its 57-year history, GVTC has surpassed the 10,000 mark for cable connections.

Mike Gross, Cable TV Product Manager, says GVTC is earning new customers by listening to their needs and providing content they want. "We're constantly looking for new programming and products to provide the best

value to our customers," adds Gross. He says examples are placing NFL Network on GVTC's basic cable, expanding High Definition programming and making Digital Video Recorders affordable for customers.

Recent additions to GVTC's cable lineup include KMYS-TV in High Definition, which carries several San Antonio Spurs games in HD this season. GVTC is also carrying Horse Racing TV on its revamped sports tier, as well as the Karaoke Channel, available through Video on Demand.

## Customer Service Adds Convenient Saturday Hours

Starting April 5th, GVTC will open its Customer Care Stores in Smithson Valley and Boerne on Saturdays. The stores will operate on Saturdays from 8:00 a.m. to noon with full service available inside the store or through its convenient drive-up window.

Customers will be able to do things like pay a bill, meet with a Customer Care Representative or pick-up equipment. Les Austin, Vice President Customer Care, says this is another example of GVTC looking for ways to make itself #016755 more available to our customers. Previously, GVTC was open on Saturdays for phone assistance only.

GVTC is also open Monday through Friday with drive-up service from 7:30 a.m. to 6:00 p.m. and lobby service from 8:00 a.m. to 5:00 p.m.

## GVTC Foundation Proudly Supports Area Youth Livestock Programs

At the 40th annual FFA & 4-H Show, held recently in New Braunfels, The GVTC Foundation donated \$4,000 to purchase or help purchase animals from several area students. In January 2008, the foundation also donated \$3,000 to the Kendall County Junior Livestock Show.

Ola Armstrong, GVTC Foundation Board Member, represented the foundation at the event.

Pictured are FFA students from Canyon Lake High School.

"Helping FFA and 4-H is a great way for The GVTC Foundation to fulfill its mission of supporting programs that further educational pursuits," says Armstrong. "The discipline it takes to care for these animals is an important experience to help these youth succeed in life," adds Armstrong.

Almost 600 students showing more than 1,100 animals participated in the Comal County event. The GVTC Foundation also supported recent youth livestock shows in Gonzales, #045606 Nixon-Smiley and Waelder, by donating a total of \$2,000 to purchase animals at those events.
