

Resolution by the Kestrel Air Park Runway Association Board of Directors

(Subject: Clarification of taxiway setbacks)

Whereas, it has come to the attention of the Board of Directors that taxiway setbacks need to be clarified, The Board of Directors has resolved that any **structures** must be set back **thirty-five feet (35')** from the edge of the taxiway, and any **natural objects**, i.e.: trees, raised terrain, etc. must be clear for a minimum of twenty-five **feet (25')** from the center of the taxiway.
